Sponsored Education Admissions Application

Georgia Aquarium developed the Sponsored Education Admissions (SEA) program in an effort to ensure that diverse audiences, regardless of economic status, have an opportunity to participate in these unique educational experiences at a reduced rate or in some cases free of charge. Through the generous contributions of local and national individuals, foundations and corporations, we are able to provide Title I schools (Prek-12) and nonprofit organizations serving Title I children located within the state of Georgia, an opportunity to experience innovative educational programs designed to amuse and enlighten.
