

GEORGIA AQUARIUM

DOLPHIN CELEBRATION

AT&T Dolphin Celebration is a high energy, fun and exciting experience! In this live presentation, the dolphins at Georgia Aquarium showcase some impressive behaviors and demonstrate their relationships with their trainers while incorporating an educational message about bottlenose dolphins.

COLD WATER QUEST

The coldest oceans teem with wildlife like the weedy seadragon, beluga whale, giant Pacific octopus and Japanese spider crab. Learn about these animals and how we can help protect them for generations to come.

Southern Company RIVER SCOUT

Rivers are a source of life for animals and people throughout the world. In the River Scout gallery, you will discover the wide diversity of animals found in the rivers and lakes of Africa, South America, Asia and the state of Georgia.

SUNTRUST PIER 225

Visit the California sea lions in "Sea Lions: Under the Boardwalk," a new presentation that highlights this charismatic species. Trainers will interact with this notably social species of pinniped while educating guests on the dangers they face in the wild.

OCEAN VOYAGER Built by THE HOME DEPOT

Walk through an acrylic tunnel or stand in front of a gigantic acrylic viewing window, and you will feel like a SCUBA diver in an endless blue sea, mesmerized by thousands of fish swimming overhead. Ocean Voyager is home to the gentle giants of the sea, including whale sharks and manta rays.

TROPICAL DIVER

Enjoy one of the largest living reef exhibits in the world. The living corals and thousands of tropical reef fish in this gallery represent a coral reef ecosystem in the tropical Pacific, complete with an overhead crashing wave.

AQUANAUT ADVENTURE: A Discovery Zone

A unique experience that allows guests of all ages to learn about aquatic life during their expedition through a variety of immersive environments and interactive activities.

4D FUNBELIEVABLE THEATER

The 4D Funbelievable Theater is one of the most advanced in the world, employing interactive seats and unique special effects that are built into the theater itself. By creating a set of "4D" effects that are synchronized to the film production, the 4D Theater adds another layer of immersive fun for audiences.

Georgia Aquarium is located on land generously donated by The Coca-Cola Company.
