

# Family Field Trip Days: Instructions

**EDUCATION**

GEORGIA AQUARIUM

Step 1: Watch "**Mangroves and Estuaries**" Deep Sea Learning Videos with Georgia Aquarium (Found on the 'At Home Learning' tab of our website).

Step 2: Review the "**Mangroves and Estuaries**" Fact Sheets.

Step 3: Visit Georgia Aquarium to complete the questions and activity sheets in this packet!

Step 4: Watch one of our Aquarists **feed the archer fish** in the wetland habitat of a mangrove forest.

Did you know?:

February 2nd is International Wetland Day!

# Gallery Scavenger Hunt: Worldly Wetlands

**EDUCATION**

GEORGIA AQUARIUM

**Instructions:** Explore Georgia Aquarium galleries and exhibits to find the answers to the questions below!

The \_\_\_\_\_ is a crustacean that lives off the Atlantic coast of America in estuaries. The habitat provides an ample hunting ground for their prey of clams, small fish, crabs, and eelgrass.

A river delta is where the freshwater of a river meets with the salt water of the ocean. Which turtle in River Scout lives in the Mississippi River delta?

\_\_\_\_\_

The adult \_\_\_\_\_ sharks have spots, whereas their newly hatched young have dark, light-stripe patterns. These juveniles spend their early days among the roots of mangrove trees as protection from predators.

Georgia has \_\_\_\_\_ acres of salt marsh land. List three of the functions of a salt marsh below: \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

This fish species is commonly found in lagoons where the water can be brackish. This species has a set of spines on its head to help them hide in small caves or crevices and keep away from predators. What species is it? \_\_\_\_\_

# WETLAND SUDOKU

**Instructions:** In this puzzle you need to list SIX different kinds of wetland habitats. Each box, column, and row of six can only have a word listed once (no repeats). See the Word List below.

**SEAGRASS, SWAMP, MARSH, LAGOON, BAY, MANGROVES**

SEAGRASS			MANGROVES		
	LAGOON	BAY			SWAMP
				MARSH	SEAGRASS
	BAY	SEAGRASS		MANGROVES	
	MARSH			BAY	
BAY		MANGROVES		SWAMP
