

SECTION P. PROTOCOL AMENDMENT REQUEST

Protocol ID:

Protocol Title:

What section(s) do you want to amend? (select all that apply)

- | | |
|---|--|
| <input type="checkbox"/> Section A-F: Core (see below) | <input type="checkbox"/> Section K: Field Study |
| <input type="checkbox"/> Section G: Personnel Qualifications | <input type="checkbox"/> Section L: Emergency Care Instructions |
| <input type="checkbox"/> Section H: Hazard Use | <input type="checkbox"/> Section M: Specimen or Data Request |
| <input type="checkbox"/> Section I: Survival Surgery | <input type="checkbox"/> Section N: Exemption from AWRs |
| <input type="checkbox"/> Section J: Non-Surgical | <input type="checkbox"/> Section O: Aquatics, Amphibians, and Reptiles |
| <input type="checkbox"/> Supplemental Sheet or Attachment (Describe): | |

For requests to amend Section A-F: Core, please specify the subsection(s): (select all that apply)

- | | |
|---|---|
| <input type="checkbox"/> A1: Personnel Information | <input type="checkbox"/> B9: Animal Use for Personnel Training |
| <input type="checkbox"/> A2: Emergency Contacts | <input type="checkbox"/> B10: Test Substances |
| <input type="checkbox"/> A3: Study Type | <input type="checkbox"/> B11: Grades of Chemicals |
| <input type="checkbox"/> A4: Role Delineation | <input type="checkbox"/> B12: Photographs & Videos |
| <input type="checkbox"/> A5: Collaborating Institutions | <input type="checkbox"/> C1: Housing |
| <input type="checkbox"/> A6: Renewal Protocols | <input type="checkbox"/> C2: Special Husbandry Requirements |
| <input type="checkbox"/> A7: Supplemental Sections | <input type="checkbox"/> D1: Exemption from AWRs |
| <input type="checkbox"/> B1: Purpose & Scientific Benefit | <input type="checkbox"/> D2: Controlled Substance Use |
| <input type="checkbox"/> B2: Literature Search | <input type="checkbox"/> D3: Physical Restraint |
| <input type="checkbox"/> B3: Location of Records | <input type="checkbox"/> D4: Withholding Pain Relieving Drugs |
| <input type="checkbox"/> B4: Species Justification | <input type="checkbox"/> D5: Endpoints |
| <input type="checkbox"/> B5: Animal Numbers | <input type="checkbox"/> E1: Euthanasia |
| <input type="checkbox"/> B6: Experimental Design | <input type="checkbox"/> E2: Final Disposition |
| <input type="checkbox"/> B7: Number Justification | <input type="checkbox"/> E3: Sharing of Tissues, Fluids, or Carcasses |
| <input type="checkbox"/> B8: Animal Identification | <input type="checkbox"/> F: Principal Investigator Agreement |

Please copy and paste the original verbiage from the approved protocol that you would like to change:

Examples of **minor amendments** include, but are not limited to:

- Substitution in personnel (other than the PI)
- Small increase in the number of animals (<10%)
- Additional sample collection (non-surgical procedure)
- Addition of non-invasive, non-surgical procedures
- Addition of drugs or treatments use to ameliorate pain or suffering from complications associated with an approved surgery/procedure

Examples of **significant changes** include, but are not limited to:

- Objectives of the study.
- Addition of minor or major surgery.
- Change in species used or addition of a USDA regulated species.
- From non-survival to survival surgeries/procedures and vice versa.
- Resulting in greater discomfort or in a greater degree of invasiveness.
- Species or in approximate number of animals used (> 10%).
- Changes in drugs used or methods for anesthesia, analgesia, or euthanasia, including to add or withhold.
- Duration, frequency, or number of procedures performed on one animal.
- Need to repeat an experiment utilizing more animals.
- Addition of procedures with the potential to cause pain or distress.
- Addition of procedures that may result in unexpected death or other complications not described in original protocol or change the endpoint to death.
- Changes that would render immune competent animals immunocompromised.
- Change to a location where all or part of the study will be done.
- Addition of prolonged restraint procedure.
