

Safety & Security

Senior Manager

?

Q: Does the job require a degree, certification, or both?

A: It requires a college degree in a related field or 5-7 years of experience in the field.

?

Q: Is there any way to volunteer or shadow with this position?

A: Absolutely!

?

Q: Are there any internships that help to get this position?

A: None currently at Georgia Aquarium.

Q: What does your average day look like?

A: Each day is different but maintaining the overall operations of the Safety & Security department is the main constant. This position can include meetings with Senior Leadership, local/state/federal law enforcement partners, as well as dealing with equipment procurement and installation. Definitely a multi-faceted position to hold.

Q: What path did you take to get to Georgia Aquarium?

A: I obtained a Bachelor's Degree in Criminal Justice, and then began my career with the federal government. Since then, I have worked for the Dekalb County Sheriff's Department, Grady Health System, and then Georgia Aquarium.

Q: What is your favorite part about working at Georgia Aquarium?

A: The different people I get to interact with on a daily basis from all parts of the world.

Thank You
