

# Life Support Systems

## Assistant Manager

**Q: Does the job require a degree, certification, or both?**

**A: It's not required but most people have a degree or equivalent experience in fish keeping and aquarium maintenance.**

**Q: Is there any way to volunteer or shadow with this position?**

**A: Life Support does have volunteer positions, but we only take a few people. Other departments can shadow us if it is set up through management.**

**Q: Are there any internships that help to get this position?**

**A: We may offer an internship in the future.**

?

**Q: What does your average day look like?**

**A: 50% managing employees and 50% technician work fixing pumps and filter issues for habitats.**

?

**Q: What path did you take to get to Georgia Aquarium?**

**A: I worked with animals at other facilities before working in Ocean Voyager and other husbandry departments. Eventually, I transferred to LSS.**

?

**Q: What is your favorite part about working at Georgia Aquarium?**

**A: I like to walk the exhibits when the Aquarium is closed and enjoy the quiet.**

*Thank You*
